The Spink Conservation District Board met on Tuesday June 13, 2017 in the USDA Boardroom. The meeting was called to order by Chairman Jeff at 9:13.

Minutes of previous meeting were reviewed and approved with a motion from Jamie and a second by Don. Motion carried unanimously. The treasurer's report was reviewed. Don motioned, Jamie seconded to accept the treasurer's report. Motion carried unanimously. Vouchers were signed.

Dennis gave the field report. He planted over 1700 acres of seed this spring. With the dry conditions planting went easy and fast. He will be starting to clip CRP here soon.

Ivy gave the office report. She gave an update on the tree and fabric season. Trees went well this year, with the tree crew getting done about the same time as always. Tree sale went great. We sold pretty much everything we had to sell. Fabric crew has one day left then they will be done for the year. Ivy also let the board know that the request for funding from the County Commissioners was sent in.

The District had been asked to consider hosting the 2018 & 2019 Rangeland and Soils Days. The board thought it would be a great opportunity. Jamie moved to host the contest in the upcoming years. Tony seconded the motion and the motion passed.

Shane gave the NRCS report.

There was no further business, Jeff adjourned the meeting at 10.55 am.
